Dear Mr. Hill:

Approximately 1200 books of daily reference value in connection with foreign intelligence requirements are being retained. A list of these books will be furnished to your Executive Secretary separately.

Attached is a copy of CIG Purchase Order 48-864 issued to War Assets Administration, Richmond, Virginia, in the amount of [REDACTED] covering equipment for this library, together with a copy of advice of cancellation of this order.

Also attached is a list of library personnel, with Civil Service grades and salaries, who are being paid by CIA. It is understood that appointment actions will be issued by NSRB to be effective at the close of business on 31 October 1947, in each case. Security investigations which are now pending will be completed, and you will be informed of any individual who does not meet CIA security standards, for such action as you may desire to take.

I am pleased that I could be of assistance to you in this matter and hope that you will not hesitate to call on me at any time for further assistance which I may be able to provide.

Sincerely,

SIGNED

R. H. HILLENKOTTER
